Dear Katrina,

On behalf of everyone here at the National College of Traditional Medicine, I would like to congratulate you on your graduation in the **Diploma of Equine Myofunctional Therapy**.

Please find enclosed your well-earned academic transcript.

In our continuing commitment to offer you the opportunity to develop your business we would also like to bring to your attention to some other important services we offer post-graduation:

1. We often receive enquires asking for practitioner's details, which we prefer to redirect to the SAENA (Small Animal and Equine Naturopathic Association) website first to ensure the enquiry is directed to a practitioner who is an association member and is insured.
2. Accreditation is available with the Small Animal and Equine Naturopathic Association (SAENA) [www.saena.com.au](http://www.saena.com.au) or International Institute for Complementary Therapies (IICT) [www.iiict.com.au](http://www.iiict.com.au). Further information about SAENA and the IICT may be viewed on their website, where you may download a membership application form. Membership with SAENA and IICT allows you to gain professional insurance through companies such as, Arthur J. Gallagher or AON.

Should we be able to assist you in any way, please do not hesitate to contact us, and we wish you well in your future endeavours.

Kind regards,

**Leslie Williamson**
